Time Frame of data needed

Identify the time period you want your report to cover. Do you want one semester, multiple semesters, an academic year(s), etc.?

Semester(s): Fall Spring Academic Year (Summer, Fall, and/or Spring)

Year(s): _____

Data Report Desired

Do you want simple counts or summaries in various categories (e.g. number and percent of developmental students for a specific term)?

Do you want duplicated or unduplicated numbers? For example, if you want the number of "female students taking a math course, by course, with subtotals", should the subtotal count each student only once (unduplicated across Math courses), or once for each course in which she is enrolled (duplicated across Math courses)?
